

Wes W. Black

Memorial Golf Tournament

Thank you for taking a moment to support the Hartford Career Firefighters Association.

It is my pleasure to announce the 2nd annual Wes W. Black Memorial Golf Tournament. The tournament will tee off at 8:30am, August 21st, 2023, at the Montague Golf Club in Randolph, VT. Please consider this your invitation to join us, whether as a golfer or sponsor.

This exciting golf tournament raises funds for the Scholarship created after the loss of Brother Wes W. Black. Wes served in the Vermont Army National Guard, was deployed to Iraq and Afghanistan, and was a highly decorated veteran. After completing his career in the military Wes joined the Hartford Fire Department in 2016. In February of 2017 Wes was diagnosed with stage 4 colon cancer, associated with the military burn pits and underwent years of treatment. Wes battled hard and courageously, but unfortunately in November of 2021 Wes lost his battle with cancer. During his fight Wes was a strong advocate for veterans on a State and National level with his tireless work for the burn pit registration. Wes is survived by his Wife Laura and young Son Ronan.

The Wes W. Black Memorial Scholarship is available to area Vermont and New Hampshire students whose intentions are to enroll in college for a degree related to public safety or enlist in the United States Military.

I hope you will consider being a part of this extraordinary event. Golfers and sponsors of all kinds are what make this event successful. Enclosed with this letter you will find the team sign-up form and event sponsorship information. The Wes W. Black Memorial Golf Tournament will be a scramble competition with many prizes to win and a BBQ luncheon afterwards.
